ADJUNCT FACULTY MEETING REPORT

11. Teledyne Technologies International Corp Engineering Services, Conglomerate
12. TRIPLAN AG Engineering Services
13. URS Corporation Construction, Architectural Services, Engineering Services
14. VSE Corporation Engineering Services
15. Washington Group International Engineering Services
16. Willdan Group, Inc. Engineering Services

III.R & D sector:

Research and development is activities in connection with corporate or government innovation. Research and development constitutes the first stage of development of a potential new service or product.

R&D activities are tasked with directly developing new products, or staffed with industrial scientists and tasked with applied research in scientific or technological fields, which may facilitate future product development.

The students after completing the education with great caliber they can choose this field. ISRO, DRDO, ARDC and BARC are the R and D sectors.

Adjunct faculty:
