

## BRIEF REPORT ON TECHNICAL TALK BY ALUMNI

It was a proud moment for our college and our Mechanical Engineering Department, as one of our most prominent alumni Mr. Jaydeep Birje visited our college on 28th October-2017.

Mr. Jaydeep Birje is having his own organization named "**LEO**" Engineers And Consultants, Belagavi, established in 2003, they supplier of world class engineering quality products and highly experienced services. They are having supplies to U kraine, South Africa, Singapore, Dubai, Kolkata, Hyderabad etc. He had been a part of "**giz**" –A Selection for Manager Training Program by Germany held in Sep-Oct 2017, in which he successfully completed the training and gained a "**FIT FOR PARTNERSHIP WITH GERMANY**" certificate. LEO is also looking forward for collaboration with companies like INTEC Energy Systems, TUBA Turbines, etc, by providing the required quality man power and other facilities required.

He specially addressed our final year students who attended 60 in number and interacted to know about the struggle, success, experiences and the hard work involved in achieving such a success. He also shared some valuable contacts and sources which will help our students for their career. It was a great opportunity for us and our students to benefit by inviting our Alumni on behalf of Alumni Association of Mechanical Engineering Dept. HOD. Prof. R.N.Patil, all the staff and our beloved principal Dr.V.V.Katti.
