

BRIEF REPORT ON TECHNICAL TALK BY ALUMNI

It was a proud moment for us to have our ALUMNI coming forward and extending hand towards our institution for helping us in building a bridge between the institution and the corporate world. Two of our proud alumni, **Mr. AJIT KAMAT**, UNIT HEAD, TATA GLOBAL BEVERAGES, AURANGABA and **Mr. SAGAR JOSHI**, TECHNICAL INSTRUCTOR, AGGREKO UK LTD, DUBAI, UAE, visited our college and delivered talk on “IMPORTANCE OF IMPLEMENTATION OF 5S’s” and “BASICS OF HEAVY FUEL POWER PLANT” respectively on 24th October, 2017. The Mechanical engineering students of final year and pre-final were addressed and interacted with our alumni. They focused on the current scenario of industries and tried to highlight the recent trends followed by the industries to increase their productivity.

Near about 60 of our students along with the department HOD and staff participated and made the gathering successful. It was a great opportunity for us and our students to benefit in their career by inviting our Alumni on behalf of Alumni Association of Mechanical Engineering Dept. HOD.

Prof. R.N.PATIL, staff and our beloved principal Dr. V.V.Katti.

Pictures of the talk and interaction
