Karnatak Law Society's Vishwanathrao Deshpande Institute of Technology, Department of Mechanical Engineering Organized One Day State Level Modelling Competition on CATIA and Solid Edge in association with CADMAXX Solution Bengaluru on 22nd February 2019.

Description of the Competition: Students are given a mechanical component drawing which are from industrial applications. Participants to ensure the complete modeling/ assembly of drawing within the allocated time. This category allows every student to display their very best technical drawings. This category is for 3D CAD drawings. This will display the student's ability in design modeling. The judges will award points based on the Drawing Skills, Neatness & Completeness and Time Span.

The function was inaugurated at 10.15pm on 22nd February 2019 at Edusat Seminar Hall. Delegate from CADMAXX Solution Mr. Mahantesh, joined the inaugural ceremony along with Dr. A.H.Mishrikoti, Dean Administration, and Prof. R.N.Patil Head of Department Mechanical Engineering KLS Vdit Haliyal. The function was crowded with participants from various Engineering and Diploma Colleges, along with students of Vdit and all staff members of Mechanical Engineering Department. Over 75 students from 12 engineering colleges across Karnataka participated in the competition.

Prof. R.N.Patil HOD Mechanical Engineering did welcome to all the dignitaries present on stage and off stage. With the lighting of lamps function was inaugurated. Chief Guest Mr. Mahantesh, Manager sales & Marketing, CADMAXX Solution said, "There are umpteen number of Softwares available in the market and he highlighted the importance of different Softwares like CATIA, Solid Edge, Unigraphics" in his inaugural speech.

Presiding over the function KLS Vdit Dean Administration Prof. Anand H Mishrikoti said by learning the new Softwares the chances of getting jobs in the market will increase. Furquan Mulla compeered. Prof Santosh Savanur proposed a vote of thanks. The event was completely supported by KLS management and Principal Dr.V.V.Katti.

The competition was categorized into Solid Edge and CATIA separately. Participants registered for CATIA were allotted system in LAB 8 and Solid edge are allotted in Lab 9. 2 different sketches given for both software and asked participants to complete their Modeling/ Assembly within 2 hours from the start time.

At 1.30 pm all the participants were completed their work and Jury members started evaluating the completed solutions and finalized the winners.

At the end of the day, valedictory function was arranged in the EDUSAT hall and Prizes were distributed to all the winners. Dr K.S Pujar, Dean R&D was distributed prizes for the winners in Solid Edge and Mr. Mahantesh, honored the winners of CATIA. Mr. Raghvendra Kamble (Solid Edge – first prize) VDIH Haliyal, Mr.Pratimesh Kesarkar (Solid Edge – Second Prize) VSMIT Nippani, Mr.Abhishek Anvekar (First Prize – CATIA) GP Karwar, Mr.Vinay Bandiwadekar (Second Prize – CATIA) VDIH Haliyal. The total cash prizes worth Rs 16,000 were distributed along with winner trophy.

CADEM center head Mr.Govind Handigol and Prof Guru Hiremath from KLE Technological University, Hubballi and Prof.Gururaj Joshi all the jury members made their point on the event success and appreciated the effort made by Mechanical Engineering Department on the event. Dr. K.S.Pujar Speaking on his presidential remarks said these kind of competitions make engineering students focus on more practical aspects which are very much needed to get good opportunities in industries. Prof. R. N. Patil proposed a vote of thanks to KLS Management, Principal, all jury members, coordinators, volunteers and finally to all participants.
